March 1, 2012

Dear SB Students,

We would like to invite you to apply to become a member of the Campus Involvement Project (CIP). As an active member of this campus community, we hope you will take advantage of this opportunity.

The Campus Involvement Project (CIP) is an award-winning group of student leaders who work together, through the Division of Student Life, to create cohesive plans for increasing awareness of the various campus opportunities and activities available to Stony Brook students. Through this program, we promote school spirit and encourage students to get involved in campus life. Our most popular initiative, “The 25 Things to Do at Stony Brook before You Graduate”, is just one example of how we are working towards this common goal.

At this time, the ideal candidate will:

- Be an active and involved member of the campus community
- Graduate in May 2014 or later
- Have completed at least one semester at Stony Brook
- Have a minimum GPA of 2.5
- Be passionate about encouraging fellow SB students to get involved with campus life
- Be committed to the group and its goals
- Be available to attend meetings and semester retreats

This is a wonderful opportunity to develop your leadership skills while working with a group of fellow students to make a positive impact on the campus community. If selected for the CIP, you will gain experience in public speaking, networking, working with others, event planning, and much more.

All students who are interested must email cipsbu@gmail.com and express their intent to interview. Emails must be received by the extended deadline of Wednesday, March 28, 2012 and must include the following information:

- CIP 2012 Applicant in the “subject” line of the e-mail
- Name, phone number, class year, and expected graduation date
- A list of activities/organizations you are involved with on campus
- A paragraph explaining why you want to be a member of the Campus Involvement Project
- A paragraph describing unique qualities you believe you can bring to the committee and how these qualities will help to advance the group’s cause

Students will receive an email by Friday, March 30th indicating whether they have been selected for an interview. Interviews will be held the week of April 15th – April 21st. Those selected for the Campus Involvement Project will be required to attend a group meeting on Wednesday, April 25th during Campus Life Time.

Questions can be sent to cipsbu@gmail.com. Thank you for your time and consideration. We look forward to hearing from you!

Sincerely,

Members of the Campus Involvement Project
