SBU Food Drive

Wednesday, September 18, 2013 - Thursday, October 31, 2013

*All proceeds will be given to the new food pantry location right here on campus!

Help combat hunger while earning points for your Undergraduate College!

Each item donated will count as 1 point. Total number of points will determine your UGC's ranking.

Collection boxes for each UGC will be housed in the Undergraduate Colleges Main Office (N3071 Melville Library) and in each Quad Office.

The SBU Food Pantry has worked with the on-campus nutritionist to provide nutritious and filling food options. We are thankful for all donations but ask you to consider making the following types of donations:

- whole grain pasta
- beans & legumes
- peanut butter
- protein breakfast bars
- dried fruit
- canned fruit in water (instead of heavy syrup)
- canned meats (i.e. tuna, chicken & salmon)

For more information regarding the pantry, please visit the website:

or contact them via email:

*Our hope is to avoid donations that may provide little nutritional value.
