Dear University Community,

I am writing to invite your participation in nominating student leaders and student organizations for the 2008-2009 Student Life Awards.

Held annually, the Student Life Awards Ceremony and Reception honors individuals and student groups for their outstanding contributions to University life in the areas of leadership, campus programming, and advising. Recognition is also given to exceptional faculty who serve as professors and mentors, and to teaching assistants. The awards selection committee is seeking nominations from faculty, staff, and students.

Undergraduate and graduate students may be nominated for individual Student Leader Awards, while student groups may be nominated for Student Organization Awards in programming. Two Student Organization Advisor Awards will be given to faculty and staff members for their service to student groups. Self-nominations also are acceptable.

Nominations must include a statement of support that describes how the nominee has demonstrated an outstanding commitment to achieving leadership in the area specified. The deadline for the receipt of all nominations is 5 pm on Monday April 20, 2009.

The Annual Campus Life Awards will be held on Wednesday, May 6, 2009 from 5:30 p.m. – 7:00 p.m. in the Student Activities Ballroom A, and will be followed by a reception for the honorees. I hope you will join in celebrating the accomplishments and contributions that so many of our students, faculty, and staff have made to build campus community.

Thank you in advance for participating in this nomination process.

Sincerely,

A handwritten signature in black ink that reads "Jerrold Stein".
