

Division of Student Life Internship Opportunities – Fall 2009

The Division of Student Life has (14) different credit-bearing internship opportunities with Student Life, Student Activities, Campus Recreation, Craft Center and Student Media. A credit internship is an opportunity to gain work related skills while taking classes as Stony Brook University.

To apply:

- e-mail: Dr. Susan DiMonda, Associate Dean and Director of Student Life at susan.dimonda@stonybrook.edu
- Attach Resume
- Attach a Letter or e-mail stating which internship you are interested in applying for, reasons for applying, and any qualifications or academic major/minor that you may have related to the position.

Once accepted and approved for the Internship students would be required to register for either of the following courses:

EXT 488 Internship is for juniors/seniors minimum (57 credit hours)

EXT 288 Internship is for freshman/sophomores (less than 57 credit hours)

Student Life Marketing and Programming Internship (4 – 12 hrs per week, 1- 3 Academic Credits)

- Assist the Associate Dean and Director of Student Life with production of newsletters, weekly Student Life Listserv announcements, on-line calendar, facebook, blackboard and special events sponsored by the Division of Student Life. This is a great opportunity for a student interested in journalism, public relations, and event planning.

Student Life Communications Internship (4 – 12 hrs per week, 1- 3 Academic Credits)

- The Communications Intern will be responsible for publicizing events sponsored by all departments within the Division of Student Life. Expectations of students

Each student will be required to set academic goals for your internship with your faculty sponsor, and the degree to which you meet those goals will be evaluated and graded. Your partners in the EXT 488 internship are the Career Center, your faculty sponsor, and your site supervisor. Communicating with all three partners is essential. Career Center requirements:

- set learning goals related to either your major or career goals
- keep submit a journal account of your experiences
- evaluate your learning goals at mid-semester
- receive an evaluation from your internship site supervisor (i.e.boss)
- communicate with Career Center and faculty sponsor throughout the semester
